

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Specifications and Advertisement for Bids for Lodi Post-top
Luminaires

MEETING DATE: January 19, 2000

PREPARED BY: Electric Utility Director

RECOMMENDED ACTION: That the City Council approve the specifications and authorize advertisement for bids for sixty Lodi post-top (globe) luminaires.

BACKGROUND INFORMATION: These luminaires, Holophane's *Prismasphere*® globe style, consist of a 18-inch prismatic globe, a high-pressure sodium ballast, and a mounting base. They are used with the concrete street light standards, and are similar in appearance to those in place at Hutchins Street Square.

Twelve of these units will be used by the Public Works Department for installation along the Central Avenue GrapeLine route between Oak and Hilborn Streets. The balance of the order will be used for replacement of damaged or defective globe-type lights in the street-lighting system.

FUNDING: Hazard Elimination and Safety Grant: 320064.7707 (\$8,000)
Electric Utility: Inventory Account 160.1496 (\$25,500)
Estimated Cost \$33,500

BID OPENING: February 2, 2000

Victory M. Attie

Alan N. Vallow, Electric Utility Director

Prepared by Joel Harris, Purchasing Officer

cc: Manager, EUD Engineering and Operations
Public Works Director

APPROVED: _____

H. Dixon Flynn - City Manager
